NEWSFLASH

NEW Software for DRAGON 32/64

We are delighted to announce that the following software titles have been added to our existing catalogue. We will continue to expand our range as long as YOU, the customer, continues to show the interest many of you have already shown.

MANIC MINER *from Software Projects* **£7.95**

This hugely successful Spectrum game has now been converted to the Dragon and Amstrad.

Miner Willy, while prospecting down Surbiton way, stumbles upon an ancient, long forgotten mine-shaft. 20 exciting screens allow you to lead Miner Willy to his fortune by finding the valuable underground store abandoned by a lost civilisation.

Hunchback *from Ocean Software* **£6.90**

Quasimodo must rescue the imprisoned Esmeralda from the castle stronghold. Jump along the ramparts, swing over the fiery pit, dodge the arrows and fireballs and remember to keep ahead of the chasing knight. 15 screens of fun and excitement and each one more difficult than the last.

TIME BANDIT

from Microdeal **£8.00**

One of the best games yet seen on the Dragon

Stake your claim in WESTERN WORLD, seek the riches of FANTASY WORLD and explore the bizarre future in SPACE WORLD. But beware, Bandit, strange creatures guard the precious loot of time.

Rommel's Revenge *new from Design Design* £7.95

You sit at the controls of an advanced battletank, looking out on the battlefield of the future. Your mission is to contain the armoured spearhead of the enemy strike force rolling relentlessly forward across the plain before you.

CHUCKIE EGG *from A n' F Software* £7.90

One of the best-selling games ever for the Dragon. Set in a country farmyard, you must collect the eggs before the nasties get out and eat up all your corn. Watch out for the crazy duck – if she gets out of the cage you're in real trouble.
