

DRAGON SOFTWARE

Dear Dragon Owner,

We are pleased to introduce our new catalogue of software for the Dragon.

In particular, we should like to draw your attention to the new additions to our range from prominent software houses. These include many favourites and a number of new titles.

We are sure that there will be something of interest to you in the catalogue, and we have provided space on the Order Form for you to suggest titles you would like to see in our range.

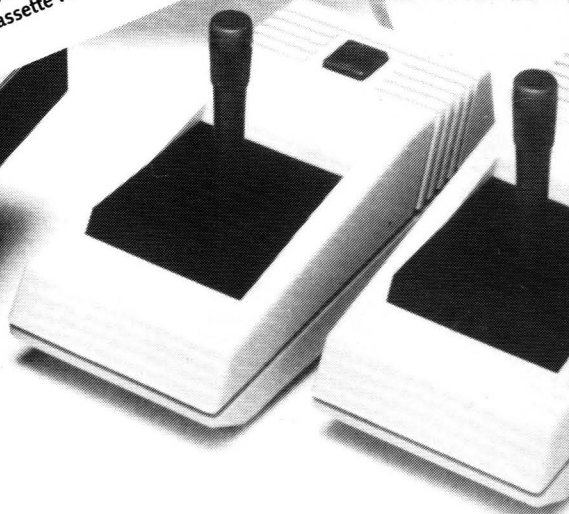

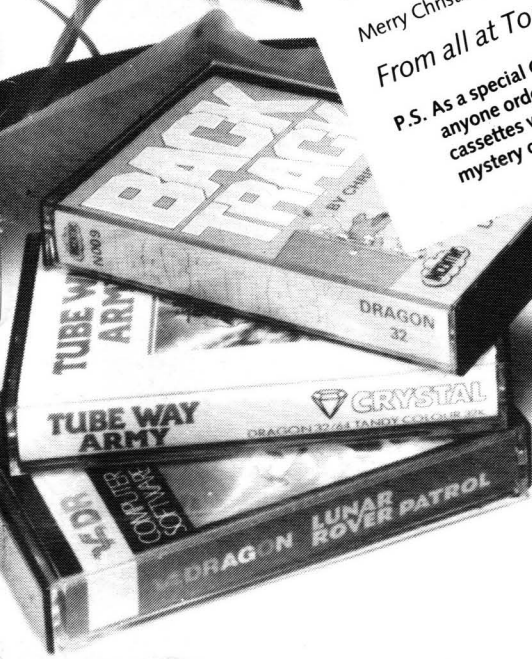

Ordering is easy, just complete the Order Form at the back of the catalogue and send it off to us.

Delivery is normally fast, but we would ask that any orders that are required for Christmas reach us by December 12th.

Merry Christmas

From all at Touchmaster

P.S. As a special Christmas offer, anyone ordering two or more cassettes will receive one free mystery cassette with their order.

WE ARE PLEASED TO ANNOUNCE TEN OF THE BEST MICRODEAL TITLES...

ACTION

BUMPERS. ① £3.95. Item No. M.30889

Can you navigate successfully through the randomly generated maze? It's not that easy! The walls of the maze are invisible and contain booby traps; and can differ in size; all adding to the excitement in this highly tactical strategic game.

STARFIGHTER. ① £3.95. Item No. M.30883

A blindingly fast sci-fi dogfight program where you command the Starfighter, a high-speed rocket ship whose job is to protect the surface of the planet against alien modules.

GALAX ATTACK. ① £3.95. Item No. M.30112

A variation on the Space Invaders theme where you have to shoot at invading enemy space craft as they descend on you. Double points if you hit them after they've left the formation, but **BE WARNED**, you have nowhere to hide!

SHAFT. ① £3.95. Item No. M.30894

The object of this game is to dodge lifts moving up and down the screen whilst trying to reach the other side. Once there you take the lift up to the next level and once more have to dodge the lifts. The goal in this difficult game is to reach the top of the screen. However, dodging the lifts is not as easy as it seems.

MOON HOPPER. ① £3.95. Item No. 30884

In this exciting arcade game, you are an ace U.S.S.P. Moon Hopper Controller, on routine lunar manoeuvres when you are attacked by hostile Traglans . . .

EL BANDITO. ① £3.95. Item No. M.30888

An amusing maze game where you are an ant trying to collect fruit and return to your lair before the spider gets you. Good graphics in this game for one or two players.

LUNAR ROVER PATROL. ① £5.49. Item No. M.30841

Manoeuvre your lunar buggy across the surface of the moon avoiding or destroying a number of obstacles including craters, boulders and spacecraft. The screen display varies considerably as you progress, as does the difficulty. After successfully completing the Beginners Course, the Expert Course really tests your skill.

BREAKOUT/MIDDLE KINGDOM. ① £3.95. Item No. M.30891

Two separate games on one cassette. For arcade fans, Breakout is a machine code version of the classic. You must keep the ball in play by knocking out bricks from a descending wall. There are five different skill levels. Joysticks are optional. Middle Kingdom is a graphic adventure game where you can choose the skill level and the speed at which messages are displayed on the screen. The goal is to return magic rings to the sanctuary to become ruler of the Middle Kingdom, defeating the evil obstacles in your way.

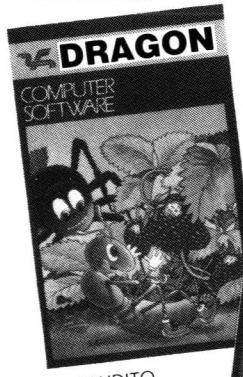

BLOCHEAD. ① £5.49. Item No. M.30885

There are 27 cubes in this version of Q-Bert and you have to successfully direct Blothead onto each cube avoiding nasties on the way. After two screens the blocks become invisible until Blothead has jumped on them. Four lives and two skill levels are available.

MOON HOPPER

STARFIGHTER

EL BANDITO

BLOCHEAD

UTILITIES

MUSIC BOX. £3.95. Item No. M.30895

A utility which allows you to enter, alter and play back tunes in four-part harmony with a range of possible play-back parameters, including backwards! The four channel sound facility and other features, accompanied by excellent instructions make this a good buy.

DREAM. £5.49. Item No. L.30516

Dragon's assembler allowing the creation of text files and preparation and conversion to object code of assembler source programs for the 6809.

DREAMBUG. £3.95. Item No. M.30535

Both disassembler and monitor facilities are available with Dreambug. A must for all serious machine code programmers, this program is designed to operate with DREAM.

ADVENTURES

SHENANIGANS. £5.49. Item No. M.30943

Probably one of the best adventures seen on the Dragon. The objective is to discover a pot of gold at the end of the rainbow. Fine graphics and imaginative clues and conundrums make this program a must for adventure fans.

VIKING. £3.95. Item No. M.30879

This is an "exceptionally appealing" simulation of running a Viking holding around the year 700. The computer asks you a series of questions and the success of your holding depends upon your answer. Changes in weather, peasant revolts and natural disasters all become a challenge in your bid to become a Duke or even the King.

BLACK SANCTUM. £2.49. Item No. M.30509

Can you exorcise the evil spirits from the deserted monastery in this classic text adventure game? Look out for spooks and ghouls who will try to stop you doing so.

LOGO. £19.95. Item No. F.20311

An educational language designed to let children begin by exploring, now being extensively used in schools. The learning process is centred around a "turtle" shape on the screen which can be moved using simple program commands.

SYNTHETIC 7. £3.95. Item No. M.30838

Turn the Dragon keyboard into an effective music synthesiser. The screen display has a piano keyboard representation at the top, choice of organ stops and an envelope which can be tailored to your own taste. Histograms show the present state of the wide range of parameters and your efforts can be recorded directly onto tape.

ALSO

BRIDGE. £15.95. Item No. H.41000

This package consists of a cartridge and cassette containing 100 different hands. It is a course of instruction in both bidding and play for the beginner and entertainment and challenge for the intermediate player.

SEA QUEST. £5.49. Item No. M.30944

An animated hi-res adventure. Brilliant graphics are featured in this under-water game where you are searching for hidden treasure.

MONSTERS AND MAGIC. £3.95.

Item No. M.30880

Before you set off to vanquish the Demon Lord your character must be created. There are 52 species of "nasties" to conquer in this role playing adventure where both short and long expeditions are catered for.

CALIXTO ISLAND. £2.49. Item No. M.30508

A classic text adventure which takes you through a secret laboratory into new pastures with many treacherous obstacles in your attempts to find the lost treasure and return it to its rightful place.

CARTRIDGES

BERSERK. £9.95. Item No. J.20100

Be on your guard as hostile robots try to block your exit and wipe out you and your co-player with lethal laser-fire.

GHOST-ATTACK. £9.95. Item No. J.20103

Get the ghosts before the ghosts get you in this exciting 1 or 2 player maze game.

ASTROBLAST. £9.95. Item No. J. 20107

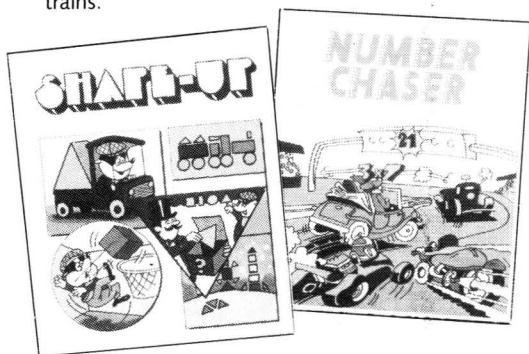

Defend the Earth against hordes of alien spacecraft.
